NATIONAL HONOR SOCIETY

OFFICERS

SENIOR MEMBERS

HONOR SOCIETY

Juniors and seniors who are outstanding in the areas of scholarship, leadership, service and character are eligible for membership in the National Honor Society. The Honor Society is not an active club, but rather a group of students who have been given an honorary distinction.

Under the guidance of Mrs. Helen Crocket the Society sponsored a dance entitled, "Tete a Tete", and sold refreshments at various school activities. The Society is also responsible for the student handbook given to incoming freshmen and provides ushers at school functions.

STUDENT COUNCIL

OFFICERS

This year's Student Council, under the guidance of Mrs. Elizabeth Ingram, took an active part as a member of the newly created Attleboro Area Association of Student Councils. Activities included a student exchange program and monthly meetings.

The Student Council is a representative body of North Students and as such works for a better relationship between students and teachers and improved school life.
